Party Descriptions

Munchkin Party

Come and celebrate your young child's birthday in our preschool room made just for them! Let us do the work while you celebrate! This party includes 15 minutes of transitioning time and free play, 45 minutes of fun and games such as duck, duck goose, the parachute & freeze dance, and 30 minutes for refreshments.

Junior Sports Party

Birthday party coordinators organize sports and games that your child requests on our basketball court! Let your child work up an appetite for refreshments which will follow in either our popular Kidz Room or upstairs in the Function Room.

Sports Party

For the older children, our Birthday Party Coordinators organize sports and games on the basketball floor! Children play soccer, kickball, capture the flag, dodgeball and other games before the whistle blows, telling them it's time to head back for refreshments.

Gym & Swim Party

This party combines both a swim in our fabulous heated pool with sports on our basketball court with our Birthday Party Coordinators. Children can enjoy refreshments after all of the fun!

Pool Party

If your child loves to swim...this party is for you! Children get 1 hour of free swim in our heated pool, supervised by lifeguards and a Birthday Party Coordinator. After all the diving and splashing, finish off with refreshments at the pool side.

Hip Hop Dance Party

If your child loves to dance, what better than to have a Dance Party! Spend 1 hour in our Group Exercise Studio doing a variety of dancing and having a blast! Finish by having refreshments in either the Kidz Room or Function Room.

Arts & Crafts WITH Dance or Sports Party

This popular party offers a unique craft project for the first 30 minutes and then you can choose either a Dance or Sports option for the remainder. Dance in our Group Exercise Studio with a Dance Instructor and have lots of fun, or play sports on our basketball court...you decide! Finish by having refreshments in the Kidz Room.
